

Dear Curtain Players Family and Patrons:

We share your concerns regarding the COVID-19 (Coronavirus) pandemic and want to assure you that your health and safety are important to us. We have implemented an increased vigilance regarding the frequency and thoroughness of sanitizing high-traffic areas of our playhouse such as door handles, counters and restrooms. In addition, we have added precautionary procedures to assure the safety of our many valued volunteers.

Please assist us during this health concern by following CDC guidelines and, if you have symptoms including, but not limited to, fever and upper respiratory tract symptoms, please contact our reservationist immediately to exchange your tickets for another performance.

Please note: No scheduled performances have been cancelled.

We look forward to seeing you for Fireflies, which opens March 20. Please email me at president@curtainplayers.org if you have any questions.

Sincerely,

Heather Schultz
Board President
Curtain Players
