

Dear Curtain Players Family and Patrons:

Due to the ongoing and increasing concerns regarding the COVID-19 (Coronavirus) pandemic and its effect on our patrons and volunteers, the Curtain Players Board has made the difficult decision to cancel the remainder of our Season 57 programs and activities. This includes scheduled performances of *Fireflies* (April) and *The Spoon River Project* (May) and our End-of-Season celebration.

On a positive note, we are working to reschedule the performances of *Fireflies* with its original cast to a very special weekend this summer. Please stay tuned for more information regarding exchanging tickets to a new performance date.

We would like to extend our deep appreciation to director Damon Barnett and the cast and crew of *The Spoon River Project* for their hard work during their rehearsal process and are saddened that this beautiful show by such wonderfully talented folks will not occur as planned. We hope to have *The Spoon River Project* back in our performance lineup in the future.

Please know that your health and safety remain important to us. We look forward to seeing you this summer as we work to bring you some wonderful new events and opportunities as well as the opening of our 58<sup>th</sup> Season with *The Dixie Swim Club* in September.

Please email me at [president@curtainplayers.org](mailto:president@curtainplayers.org) if you have any questions.

Sincerely,

Heather Schultz  
Board President
